and was glad to hear that you are well.
We are all well, and hope you are the same.
Annie & her mother & brother have the dist.
here again. Annie has it a very bad.
It is too bad to break up a family like that.
Mrs. Clausen & her mother has a
baby girl.

Mamma said if Grandmother has not gone
from San Francisco for you to give her your
valise, for mamma will need it to go to
Kapa next Thursday, & she would like to have
it. There will be some one at the train to meet
her. If she is gone, that will be all right.

Your flowers are all right. Rose ship fine.
We have 2 little chickens & will have more
in a few days.

Tina, you, Rosa, & I each got a valentine from

the city here I send you yours. I think your
fellow did send yours for it has such a
cute verse on it. Bertha was glad when
she received the valentine from you, for
she did not get any at school.

Minnie did not write to me yet. I think
it is her turn to write. How does she like it
at her place.

Last night Charlie^{and} went to the I. O. O. F.
entertainment & dance at the rink. He had
a nice time & did not get home till nearly
2 o'clock & got up at 6 o'clock, so now I am
in a hurry with this letter for I want to
go to bed. It is only 7.30 o'clock.

Mrs. Hunter might go with mamma &
Charlie to Papa.
