Dear Dobbie

Many thanks for your
letter. was so glad to hear
from you. You are sure going
to be a good Farmer, & enjoy
the Out doors. Sports. Gardening
etc. etc. That's the stuff I'd
like after your Dad & Mother
& you'll be alright. I think they
are pretty good!! yes? Don't tell
your Mother I said so. She will
be all 'stuck up' for Skippy
a bang on the head for me - and
my Mr. Play Bones with Frank
she will have a four some when
I return - Much love. Dobbie
