WATSONVILLE
JOINT UNION HIGH SCHOOL

SALUTE TO THE FLAG

I pledge allegiance to the flag of the United States of America and to the Republic for which it stands, One Nation indivisible, with liberty and justice for all.

THE STAR-SPANGLED BANNER

I.

Oh, say, can you see, by the dawn's early light,
What so proudly we hailed at the twilight's last gleaming?
Whose broad stripes and bright stars through the perilous fight
O'er the ramparts we watched were so gallantly streaming?
And the rocket's red glare, the bombs bursting in air,
Gave proof through the night that our flag was still there.

Oh, say, does that star-spangled banner yet wave
O'er the land of the free, and the home of the brave?

II.

On the shore, dimly seen thro' the mists of the deep,
Where the foe's haughty host in dread silence reposes,
What is that which the breeze o'er the towering steep,
As it fitfully blows, now conceals, now discloses?
Now it catches the gleam of the morning's first beam,
In full glory reflected, now shines on the stream;

'Tis the star-spangled banner; oh, long may it wave
O'er the land of the free, and the home of the brave!

III.

Oh, thus be it ever when freemen shall stand
Between their loved homes and the war's desolation!
Blest with vict'ry and peace, may the heav'n-rescued land
Praise the pow'r that hath made and preserved us a nation!
Then conquer we must, when our cause it is just,
And this be our motto: "In God is our trust!"

And the star-spangled banner in triumph shall wave
O'er the land of the free, and the home of the brave!

BLACK AND GOLD

1.

Praise to thee, old Black and Gold,
Still we'll be your pride,
When out upon the changing seas
The ship of life we guide.
Opportunities will call
When each must do his part,
And home and country will be first
In every loyal heart.

2.

Noble halls of stately beauty
Fill us all with pride.
A fitting home for high ambitions
Such as here abide.
Kindness, loyalty, and honor,
Fearlessness, and truth,
Are high ideals you hold before us,
Guideposts of our youth.

3.

When life's sterner tasks have called us,
From this pleasant clime,
As backward glancing toward your portals,
Through the mists of time;
Dearest of all Alma Maters,
With devotion true
Then all your loyal sons and daughters,
Tribute pay to you.

4.

Four long years you shelter us,
And then there comes a day
When we must leave you far behind
And seek our own life's way.
Other joyous times may come,
But still we'll always hold
Within our hearts, the memory
Of the days of Black and Gold.

SCHOOL OBJECTIVES

This handbook is presented to the students of Watsonville Joint Union High School with the hope that a careful study of its contents will help everyone to receive the greatest possible good from his attendance at this school.

Teachers and students are encouraged to examine critically the objectives and code with the understanding that they may be changed if time proves that they are inadequate.

In general these objectives may be stated as follows:

1. The development of sound physical and mental health.
2. A satisfactory command of the fundamental processes and tools of learning.
3. Training for worthy home membership.
4. Growth in the ability to distinguish between the right and wrong courses of conduct and a willingness to choose the right course.

THE STUDENTS' CODE

1. I will do my best to live up to the rules and regulations of the school.
2. I will give speakers in assemblies my undivided attention.
3. I will do my part in athletics by going out for sports, if possible.
4. I will attend school games and plays and will uphold the reputation of the school by conducting myself as a high school student should.
5. I will cooperate to the best of my ability with faculty, officers, and my fellow students.
6. I will keep my merit record high.
7. I will do my part in all school activities and will encourage and help others to do theirs.
8. I will be loyal to my school at all times.
9. I will feel responsible for the care of our school property, so that all will be proud of its appearance.
10. I will co-operate cheerfully with all war effort enterprises sponsored by our school.

STUDENTS CAN HELP WIN THE WAR

(We offer these suggestions.)

1. Do the best school work you can as a patriotic duty.
2. Read the daily bulletins for definite information.
3. Act promptly on requests for student aid.
4. Actively participate on all committees.
5. Take air raids and fire drills seriously.
6. Buy stamps and bonds regularly.
7. Watch calls for salvage and be responsible for requested material available at home.
8. Prepare for some specialized job in war work.
9. Work at **anything** now to help the war effort. (Remember that you are a part of the group working to provide food for victory. Watsonville is one of the nation's most important food producing regions.)
10. Help in recording names of students and graduates now in service.
11. Write often to your friends and relatives in the service.
12. Don't talk thoughtlessly. (Zip your lip.)
13. Keep calm and keep an intelligent attitude.
14. Remember—Serve your country first and yourself last.

CONSTITUTION FOR W. U. H. S. WAR SERVICE COUNCIL

ARTICLE I.

Name: The name of this organization shall be "THE WATSONVILLE HIGH SCHOOL WAR SERVICE ASSOCIATION."

ARTICLE II.

Members: All students attending Watsonville Union High School, all faculty members, and all persons employed by the high school district are automatically members of this organization.

ARTICLE III.

Purpose: 1. The purpose of this organization shall be (1) to co-operate with the duly appointed local authorities in doing anything and everything which lawfully may be deemed necessary and proper in connection with the National Defense Program of the United States Government and the State of California, and (2) to take an active part in the adult program whenever and wherever students can be used.

ARTICLE IV.

Organization: 1. This association will be governed by an executive council composed of the president and secretary of the student body, the presidents and secretaries of each of the four classes, the Dean of Girls, the Dean of Boys, the Junior Red Cross Adviser, the stamp and bond faculty sponsor, and the school auditor. The principal of the school shall be an ex-officio member of the council.

2. Representatives will also be chosen from the following organizations: Girls' Athletic Assn., Service Club, Junior Red Cross, Block W, Future Farmers of America, Scholarship Society, and Janitor Force, provided that these students are citizens of the United States. Should any member of

this council be unable to attend a meeting he shall appoint a qualified member of his organization to represent him at that meeting.

3. All members of the governing council must take the oath of allegiance to the United States of America.

4. Projects undertaken by this council must be approved by a three-fourths vote of those present.

ARTICLE V.

Officers of the Council: Officers shall be a Chairman, Vice-Chairman, Secretary and Treasurer.

Each of these officers shall be elected by the Council.

ARTICLE VI.

Meetings: 1. Meetings shall be held every two weeks during the school year, beginning with the first Monday after the adoption of this plan.

2. Special meetings may be called by the Chairman.

3. Meetings shall be held in Room 13a of the Watsonville High School.

4. If he deems it necessary, the chairman may invite persons who are not members of the Council to attend the meetings.

ARTICLE VII.

Adoption: These Articles must be approved by a majority vote of the student body. Any additions shall be proposed by the Council and ratified by a majority vote of the student body.

Any member of the Association may make proposals in writing to the Council.

TRADITIONS AND CUSTOMS

The tradition of which Watsonville is most proud is its reputation for good sportsmanship and courtesy both upon its own school grounds and in any place where a number of our students may be gathered. Each member of our high school has as his or her first responsibility the maintenance of this reputation.

Class colors, to be retained throughout four years, are chosen at an early meeting of the freshmen. It has been customary for the class in their junior year to choose sweaters designed in these colors; so freshmen are advised to keep this in mind when selecting colors.

The colors are incorporated also in a banner which is the cherished possession of each class and which is displayed whenever the class appears in a body. Good taste and respect for the occasion dictate that no attempt to take possession of the banner of another class be made after the parades on Memorial and Armistice Days. On graduation night the senior banner is cut and a piece is given to each member of the graduating class.

Our outstanding social tradition is the Junior-Senior Prom, held shortly before graduation. At this dinner and dance the president of the senior class solemnly charges the president of the juniors with the task of maintaining the traditions of the school, and, as a symbol, passes on to him a permanent school banner.

Other traditional social events are the Girls' Jinx, a costume party held under the auspices of the Girls' Athletic Association, the noon dances, the student dances sponsored by the various service clubs of Watsonville for the students and alumni, the Spanish Club Fiesta, and the Fathers and Sons Banquet given by the Future Farmers of America.

By custom and tradition the seniors have the privilege of front seats in the auditorium, the right to wear senior sweaters, and the use of the senior bench.

The following seniors are excused from second semester final examinations:

1. The upper ten per cent of the class.
2. Members of the Scholarship Society who have been in the Society for three semesters one of which must have been earned as a high junior or low senior.

Juniors who have been of outstanding service to their class or to the school are invited to act as ushers at graduation. The juniors also have the privilege of wearing a school ring.

Freshmen girls are introduced to the school at a special girls' assembly conducted by the G.A.A. shortly after the opening of the fall semester. Freshmen traditionally do not give class yells at assemblies. Tradition also frowns upon hazing of incoming freshmen.

In addition to these traditions that are common to a majority of the student body, many clubs and other groups have sponsored activities that have become traditional with them.

REQUIREMENTS FOR GRADUATION

A high school curriculum is an organized group of courses, the completion of which entitles the student to a high school diploma awarded by the State of California through the Board of Trustees of Watsonville Joint Union High School.

While there are a few subjects that are common to all curricula, the majority of work that you will take is elective, and it should be selected with great care depending upon your capabilities and purposes. Consult

with your adviser and parents and be guided by their advice and counsel.

A year-long course in all ordinary subjects earns the student 10 semester hours; a half year course earns 5 semester hours.

REQUIREMENTS COMMON TO ALL CURRICULA

1. To meet the State requirement that every graduate shall have "a satisfactory mastery of written and spoken English" the school prescribes thirty semester hours of English, five semester hours of which shall be Junior Literature.
2. To meet the State requirement in United States history and civics, the school prescribes ten semester hours of United States history and five semester hours of government.
3. The State requires that every student participate in physical education while he is regularly enrolled in the school. If a student is excused from active part in the physical education program, he should nevertheless report to the department and follow its instructions so that he may receive credit. If he is excused from all part of the physical education program, he should compensate for the loss of credit by work in some other department.
4. Ten semester hours of science.
5. Ten semester hours of mathematics.
6. Social Living is a required subject for all freshmen.
7. The completion of three groups. (Explained below.)
8. The completion of not less than two hundred semester hours of work.

GROUPS

In order that students may have a fairly comprehensive knowledge of some related subjects, it is required that they complete three groups before graduation.

A group is usually defined as thirty semester hours of work in one subject or related subjects.

1. One group must be in English.
 - (a) Subject A examination is required of all students planning to attend a four year university. This applies also to those students who begin their work at a junior college.
 - (b) Senior Composition is a one semester course—which will count as the second half of a student's third year English requirement. The English department recommends that this course be taken in the fall semester of the senior year. This course should be taken by all students who plan to take the Subject A examination.
 - (c) The four year commercial students must take Business English in the junior year.
2. ONE GROUP MUST BE IN EITHER LANGUAGE, SOCIAL SCIENCE, MATHEMATICS, SCIENCE, HOME ECONOMICS, AGRICULTURE.
3. The third group can be from any other field.

Physical education is not counted as a group. No credits may count in more than one group.

ACCEPTED GROUPS

CARPENTRY

This course is open to upper classmen who have taken shop and mechanical drawing in their freshman and sophomore years. It is a two year course leading to **apprenticeship** in the **carpentry trade**. Students may graduate using this course as a part of required semester hours. The morning class is for students who do not live in the city of Watsonville. The afternoon class is for the students who live within the city limits.

COLLEGE ENTRANCE

The important thing to remember in regard to college entrance is that very often there are students who are disappointed at the end of their high school career because they have not taken work which will enable them to attend college. Even if at first the chance of continuing your education beyond high school seems remote, it is wise to plan your work so that if the opportunity does come, you may take it.

No definite statement can be given as to college entrance requirements since almost every college has its own. However, the requirements for entrance to the University of California will satisfy almost any institution of higher learning.

University of California Entrance Requirements

1. The completion of sixteen matriculation units or credits in selected subjects.
2. The high school program must include the following subjects, (a) to (f), inclusive, which represent the minimum subject requirements, and which must be approved by the high school principal as college preparatory courses.
 - (a) History
 - This may consist of any two semesters of history, civics, or social science.
 - (b) English
 - These may consist of any semesters in English, Public Speaking, Journalism, or Drama.
 - (c) Mathematics
 - These must consist of two semesters of elementary or advanced algebra, and two semesters of plane geometry, or solid geometry and trigonometry.
 - (d) Science
 - This may consist of a year course in one field of science, namely, biology*, botany, chemistry, physics, physical science, physiology, or zoology. The science selected must be an advanced (3rd or 4th year) laboratory science and the two semesters must be in the same science field.

*Biology III and IV.

(e) Foreign Language 2 units

These must be in the same language.

(f) Advanced (3rd or 4th year) mathematics; foreign language; chemistry; physics; or two years of another foreign language.

3. For any of these required subjects completed in the ninth year (first year of high school), **subject credit** is given irrespective of the scholarship grade received, provided, of course, it is a passing grade. In the subjects completed in the **last three years** of the high school program, however, a scholarship **average** of grade B (based on a marking system of four passing grades: A, B, C, D) must have been maintained. In computing scholarship averages semester grades rather than year grades are used.

A grade earned by repeating a course may not be counted higher than a C even though a higher grade may be reported. Credits reported in this way will be accepted, however, in fulfillment of specific subject requirements.

More detailed information about college entrance may be obtained from your adviser. In the main office the school has a fairly complete file of catalogues from most western colleges.

JUNIOR COLLEGE ENTRANCE

There are no specific entrance requirements for junior college. These are two year institutions offering terminal courses in a great variety of subjects and first two years of university work. Junior colleges also enable a student to work off deficiencies in four year college entrance requirements while he is carrying advanced work. See page 7 under "Groups" for the English requirements for four year college students. Public Junior colleges have no tuition fees.

INFORMATION CONCERNING PRE-NURSING COURSE

If a girl is capable of doing good recommending work, she should be encouraged to try for admission to the School of Nursing of the University of California Hospital or Stanford Hospital.

On completion of 2 years of certain prescribed courses which meet the requirements for Upper Division standing in the University and of 3 years of the required work at the University of California Hospital, the **degree of Bachelor of Science** and the Certificate of Completion in Nursing are awarded.

At Stanford (under the same requirements) the applicant receives a **Bachelor of Arts** degree and the Diploma of the School of Nursing.

Since enrollment in both of the University Schools of Nursing is limited, applicants are selected on a competitive basis, preference being given to those with the highest scholastic standing. All applicants must pass a thorough physical examination.

The two-year pre-nursing course may be taken at U. C., Stanford, any other 4-year college, or at any junior college.

A nurse with a college degree usually has the opportunity of obtaining the better positions in the profession.

The other training schools in the state offer no degree but merely give a certificate of completion in nursing (diploma) after 3 years.

The requirements for admission to these schools of nursing vary. Some require merely a high school diploma. Several recommend 1 year of college. Many require a minimum of 8 A's and B's in subjects acceptable for entrance to a university.

The following subjects are recommended by most of the training schools:

Chemistry (required by all).

Biology I-II.

Physics

English (3 or 4 years).

Public Speaking.

Elementary Algebra.

Plane Geometry.

Foreign Language (One year of Latin is helpful).

Modern History.

U. S. History and Government.

Sociology (Social Problems).

Foods.

Typing.

You can see that few students could take all of these recommended subjects, but any elective should be selected from this list.

SCHOOL RULES

A school makes rules not to establish a dictatorial curtailment of a student's liberty, but rather to insure the greatest amount of orderly freedom. In this high school it has been the aim to keep rules at a minimum. The following are those which time has proved essential to the smooth running of the school, and they must be complied with.

Excuses for Absence—When a student returns to school after being absent, he must bring a written excuse from his parent or guardian, giving the reason for the absence. If the school authorities do not consider the excuse adequate, they have the legal right to withhold make-up privileges.

When a student has been absent for more than two days because of illness, he must report to the school nurse before returning to classes.

Permission to be Absent from Class—If it is necessary to leave school at any time during the day, permission must be obtained from either the Dean of Girls or the Dean of Boys BEFORE leaving. If this is not done, the absence is considered a cut.

In case of emergency, notify any teacher who will immediately report to the office.

If a student wishes to be excused from any class during the day, he should procure a slip at the information desk and take it to the teacher of that class for her signature of agreement.

Consultation Slips—A blue consultation slip must be obtained from the teacher before a student may come to his room for consultation. (Student to student consultation slips are not permitted.)

Make-up Work—The responsibility for make-up rests with the student. All make-up work must be completed within a month after the student returns to school unless other arrangements are made with the teacher.

Hall Traffic—Traffic is regulated by a traffic board and manager, who appoint monitors for the halls. They also pass on all offenses of traffic regulations. Students must stay at the right of the line in halls and on inclines and stairs.

Parking—From 7:00 a.m. until 5:00 p.m. no cars shall be parked next to the school grounds on Third, Lincoln, and Marchant Streets.

During these hours all faculty and student cars are to be parked in the parking lot on Lincoln Street. The speed in the lot is ten miles an hour.

Social Activities—Due to war conditions with black-outs and dim-outs, social activities given in the name of the high school are discontinued. The board of education considers this necessary for the safety of the individuals concerned and also because of the possibility of the financial responsibility to the district in case of any injuries.

Eligibility for the Prom—Attendance at the Prom shall be restricted to students registered in the office as juniors or seniors, with the exception of sub-classes who are members of the scholarship society and whose records show senior rating at the beginning of the next year.

School Attendance—In the State of California education is provided free for all up to the age of eighteen, and beyond for those who wish to continue. It is the legal responsibility of parents to see that all boys and girls under this age take advantage of this educational opportunity. For those who find it necessary to work, part time schooling is provided for four or more hours a week.

Changing a schedule or dropping a course—When a student desires to drop a course or change his schedule, he must secure from the office or his adviser the proper blank which provides for the consent and signature of his parent or guardian, his adviser, the teacher concerned.

MERIT SYSTEM

The merit system and merit board are a part of the administration set-up of the school, and as such, are not under the jurisdiction of the student body or its constitution.

By means of his merit record a student has a concrete method of establishing his citizenship value in the school, and through the merit board he has the opportunity of a fair and unbiased hearing, if he has been charged with infractions of school regulations.

General Information

1. The gain of Honor Points is based upon leadership, conformance to school rules, and service to the school.
2. The loss of merits is based upon conduct, attendance, and character.
3. Slips showing merits lost and honor points gained are to be filed in the office.
4. Honor points shall be granted at the completion of a service or pro-rated if the student, through no fault of his, was unable to complete the service.
5. The committee in charge of the merit system shall be called the Merit Board. The Merit Board shall consist of the Principal or his representatives, the President of the Student Body (chairman), the Dean of Girls, the Dean of boys, Vice-President of the Student Body, and two students at large chosen by the other members of the Merit Board.
6. The Merit Board shall deal with any case involving the loss of more than four merits, or with other unusual cases.
7. Students have the right of appealing to the Merit Board in any case involving loss of merits.
8. Each student starts the semester with a clear record of one hundred merits.
9. Slips are issued in duplicate. One goes through the adviser to the student, the other is filed in the office.
10. When any student loses twenty-one merits during the semester, he is placed on probation and deprived of all school privileges e. g. holding office, attending assemblies, participating in athletics, etc. To be reinstated to full privileges, he must not lose any merits for one school month. At the time of his reinstatement he may use his honor points to improve his merit record. If at the end of the month of probation the combined honor points and merits do not total eighty, he is not reinstated until the record reaches that total.
11. If a student's merit record is consistently low and no effort is made at improvement, the Merit Board may recommend to the school authorities that he be suspended for two weeks.

School Citizenship Credit

If the combined honor and merit record of a student at the end of a semester totals ninety or above, the student shall be granted one and one-quarter semester hours of school credit. This credit, known as School Citizenship, may be used in the number of semester hours needed for graduation. Exceptions are made for students who have been on probation during the semester.

GENERAL INFORMATION

The Advisory System in our high school has been designed to give every student as thorough and helpful guidance as is possible. At the time of his registration each student is assigned to an adviser and usually remains with this adviser during his high school career. The duty of the adviser is to offer advice in the selection of a suitable curriculum, to make sure that all necessary requirements are fulfilled, and to check on the monthly progress of the student.

More important, however, than matters of routine is the building of a personal friendship between student and adviser so that everyone in the school knows that there is some one person to whom he may bring any of his problems and from whom he will receive sympathetic and understanding advice. Parents are urged to become acquainted with their children's advisers so that the fullest cooperation of home, student, and school may be achieved.

In addition to the individual advisers, the Principal, Deans, Attendance Supervisor, and School Nurse are always ready to be of any assistance possible.

Assemblies of all students may be called at any period of any day. However, they are usually held during advisory period on Friday, and notice is always given a day ahead so that students will be able to arrange their study time accordingly.

Seats for assembly are assigned at the beginning of the year by the four class teachers, and anyone not in his regularly assigned seat may be marked absent, and such an absence will be counted as a cut. In case you are excused from assembly, be sure to notify the teacher who takes the roll in your section.

There is no more accurate gauge of the spirit and courtesy of a student body than its behaviour at an assembly. While class and school yells are considered part of a rally assembly and may even be given before a regular assembly has begun, they should stop immediately upon the beginning of a program. In fact, there are many assemblies where they are out of order at any time. Any person who has accepted an invitation from our school to appear before its student body is entitled to the greatest respect and courtesy, and these should be expressed by strict attention. Whistling and stamping are the marks of poor breeding, and are out of place in any well mannered audience.

Student Body Assemblies are restricted to holders of student body cards. At these assemblies the business of the Associated Students is transacted.

Bulletins are posted each morning in the classrooms. Make it a habit to read these bulletins immediately since all notices of meetings, changes of schedule, etc., appear on them. Any notice for the bulletins must be written upon special blanks, signed by the person desiring the notice, and approved by either Dean.

Buses—Buses are provided for transportation of students who live outside of the city of Watsonville. In the interest of safety a committee of faculty and students have drawn up the following rules for students riding on school buses.

1. The driver shall have full authority in regard to the operating of the bus and the conduct of students on the bus.
2. Students are not to enter buses until buses come to a full stop.
3. No part of the student's body shall extend from the windows or doors of the buses.
4. It is not permissible to call to persons in passing vehicles or persons on or near the highway.

5. No scuffling is to take place in the buses.
6. Articles of any kind are not to be thrown in the buses.
7. Students shall keep their seats until the bus comes to a full stop.
8. Habitual offenders against these rules shall be suspended from riding on the buses.

The Cafeteria is open to all students and faculty. The food is served at cost since there is no profit to be made. There is a choice of salads, hot dishes, vegetables, desserts, ice-cream, milk, and orange juice. Practically all servings are five cents each, or a combination plate may be had for twenty cents.

The cafeteria is open also to students who bring their own lunch.

Classification of Students is made in August and is based entirely upon length of residence. Pupils entering as freshmen in February retain freshman status until August of the following year. Otherwise the classification is raised automatically upon the completion of a year's residence, with the provision that no student will be classified as a senior unless the completion of the program outlined for him at the beginning of the year will entitle him to graduation in June.

Grading System is based upon percentages, with a grade of 70 considered as passing. These percentages are translated upon transcripts as follows:

- 90-100 A.
- 80- 89 B.
- 75- 79 C.
- 70- 74 D.
- 0- 69 F.

In no case will a failing second semester grade be averaged with a passing mark in the first semester.

Health Service is under the supervision of the school nurse whose office is in the gymnasium. Any student may consult her there from 8-9:30 in the morning. The nurse also visits homes to offer assistance and advice.

The Library is open to all students. No library card is necessary.

Library books are of two classes—14 day books and over-night reserve books. Students are requested to cooperate in helping the library to give effective service by seeing that all books borrowed by them are returned on or before the date due.

The following regulations apply to 14 day overdue books:

1. An overdue notice is sent to the student the day after the book is due.
2. A second notice is sent one week after the book is due if it has not been returned or renewed in the meantime.
3. After the book is two weeks overdue, the office sends two demerits to the student for each week the book continues to be overdue.

Students must pay for all books lost or damaged which are charged to them at the time that the loss or damage occurs. If a lost library book is not paid for before the end of the semester, the student will receive ten demerits.

Lost and Found books are placed in the alcove opposite the incline at the east end of the lower hall. Other articles should be turned in to the information desk.

National Youth Administration aid may be available to a limited number of students needing financial assistance to continue their schooling. Information concerning this may be obtained from the Principal or the Deans.

Report Cards are issued at the end of each school period (four times a semester). These cards should be taken home to be signed and then shown to the adviser on the Tuesday after they are issued. They should be returned to the teacher by Friday. Students who lose their report cards will have to purchase duplicates at the office.

Student Employment. The school can often assist students in obtaining positions both during school and after graduation. If you wish a part time position while you are in school, notify either of the Deans.

Almost all employers consult the school before engaging our graduates, and therefore the impression that you leave with your teachers and adviser is important. **(Personal qualities such as dependability, initiative, self-reliance, ability to get along with people, neatness, and honesty count even more than scholastic achievement in recommendations.)**

Text Books are issued free by the school. Students are required to make out text book cards for each book issued to them, and they are held responsible for every book in their possession. Remember that these books are the property of the state, and that they are only loaned to you. Treat them with care and try to return them in as good condition as they were when issued. Any loss or damage must be paid for.

Special Classes are held for students who need additional training in reading and students with speech disorders and hardness of hearing. Not many schools offer these facilities, and students are urged to take advantage of them. When conditions warrant, credit in English will be given to students taking work in lip reading. Further information may be had from the advisers.

The Scholarship Society — — Miss Montgomery and Mr. Anderson. The Scholarship Society is a chapter of the California Scholarship Federation which at present comprises 307 member chapters throughout the state.

Throughout the whole Federation, membership is earned by points, ten points being necessary.

For prepared subjects points are given as follows:

- A grade of 93-100 gives 3 points.
- A grade of 90- 92 gives 2 points.
- A grade of 85- 89 gives 1 point.

For non-prepared subjects points are given as follows:

- A grade of 93-100 gives 2 points.
- A grade of 90- 92 gives 1 point.

The subjects that have been listed by the teachers as non-prepared are library instruction, foods, art, typing, clothing, dress designing, book-keeping, every-day business, George-Deen, all shop and all agricultural subjects, beginning and intermediate band, and beginning and intermediate choral, and office practice. This list may be changed or added to as courses and requirements in them change.

In freshmen and sophomore English a student receives two grades, one in literature and one in composition. These grades can not be averaged but the points earned are averaged.

Neither the physical education grade nor the merit record can be counted. A maximum of one point will be granted to student body officers holding elective offices; class presidents may receive one-half point.

If a student is a member of the Scholarship Society for six of his eight semesters, including one in his senior year, he becomes a seal bearer, that is, a life member of the CSF. He receives a Federation pin as a gift, has the gold seal of the Federation put on his diploma, and has his name engraved on the bronze plaque which hangs in the school hall. Seal bearers are given special help and recognition at universities.

STUDENT ACTIVITIES

Besides the school work held in regular class time, there are many activities supervised by the faculty but largely planned and carried out by the students. In these activities you have a fine chance to develop leadership and initiative, and, more than this, to work and play with fellow students. The meetings are held during advisory period, after school, and on Saturdays.

Every student should take part in some activity not only for his pleasure but for better development. Being a good member of a team, holding an office, serving on a committee, or being a successful chairman is training that is of real worth. Often these activities use leisure time, and the proper use of leisure time is one aim of education. Be interested in one activity at least; do not try to participate in too many.

BOYS' ATHLETICS Mr. Geiser

Teams represent our school in competition with other schools in the following sports: football, baseball, tennis, basketball, track, golf, and archery. If you are not inclined to take part in inter-school competition, you will find much pleasure in participating in these sports during inter-class competition here at school.

GIRLS' ATHLETICS Miss Blanchard

Each year the schools of the C.C.A.L. hold a Girls' Play Day. Basketball, volleyball, baseball, hockey, speedball, archery, and tennis are the sports participated in. This is not inter-school competition as each team is made up of girls from a number of schools.

GIRLS' ATHLETIC ASSOCIATION (The G.A.A.) Miss Blanchard

The G.A.A. is an active club for girls who go out for interclass teams, attend play days, or in other ways show an interest in athletics. They earn points which entitle them to awards—numerals, blocks, stars, and finally a C.C.A.L. pin. The club has many social gatherings—parties, hikes, etc.

BLOCK W SOCIETY Mr. Lien, Miss Blanchard

Girls' and Boys' Block W Societies have been formed by athletes who have earned Block W's. The boys' club is organized under the student body and the girls' under the G.A.A. The boys' Block W society usually has at least one dinner a year, and the girls' organization has bicycle rides, horse-back trips, etc.

RALLY COMMITTEE Miss Tamisiea

This committee is made up of at least ten boys and girls chosen by the vice-president and approved by the student body president. The Rally Committee arranges and finds talent for rallies, decorates for assemblies, and school dances. The vice-president shall be chairman of this committee.

SERVICE CLUB Miss Liles

The Service Club is composed of six girls from each physical education period. They give up regular class work one day a week to care for the rest room. A course in First Aid is given to these students. For their services members receive ten honor points a semester.

Every year a picnic is held. Often interesting speakers are obtained for the regular meetings.

SPANISH CLUB Miss Dickson

"A lo Alto" is composed of members who have received 87 per cent or better in their Spanish work during the previous semester. The club pin in the shape of a small sombrero is awarded after two semesters' membership. Meetings of the club are held every month with programs and business conducted in Spanish. Once a year the club manages a Fiesta for all the Spanish classes. The final activity each year is a visit to the mission at San Juan or to the one at Carmel.

LATIN CLUB Miss Gemini

Only students studying Latin at present are eligible for membership in the Latin Club. They must have passed in one semester before they may wear the club pin.

FRENCH CLUB Miss Blizzard

The French Club is for all students who have received 87 per cent or better in their French work during the previous semester. Meetings are held monthly, the programs usually including French plays and games.

COMMERCIAL CLUB Miss Gordon

The Commercial Club is for girls who plan to go into office or secretarial work upon graduation. Seniors taking advanced stenography and office practice, and juniors who are doing outstanding work in commercial courses are eligible. The club program includes speakers from the outside, both employers and employees, movies relating to office procedure, and business meetings. Its social events include suppers, picnics, and a senior banquet.

MANZANITA Mr. Hamilton

The school annual, which records the school year and has many pictures, is published each spring. The editor and business manager are elected by student body vote, and with the guidance of the faculty adviser, select a large staff to prepare the book for the printer. Manzanita work is extremely interesting and provides for a great variety of talent.

FUTURE FARMERS OF AMERICA (The F.F.A.) Mr. Thorstenson

Students of the agricultural department are organized into a Watsonville chapter of the Future Farmers of America, popularly known as the Ag Club. The local chapter is chartered in the California Association of Future Farmers, which is in turn a unit of the National Association.

The Aggies enjoy a variety of activities through their organization which is one of the most active in the school. It sponsors student participation in various judging events, exhibitions at fairs of project production in live-stock, poultry, crops, and fruits, and in meetings of the South Coast Regional and State organization of Future Farmers. The chapter members hold two well attended meetings a month during the school year, and each year at the end of the spring semester a Fathers' and Sons' Banquet is given.

During the year the members take part in athletics and social events, ending with a Field Day for Future Farmers of the high school chapters of the South Coast.

The Aggies' spirit is that of comradeship with one another and a loyalty to the highest ideals of rural life. Membership in the Future Farmers is restricted to students and graduates of the agricultural courses of the school.

TREBLE CLEF SOCIETY.....Miss Breen

The Treble Clef Society is composed of outstanding girls in the piano and choral classes. The membership is limited to twenty, new members being elected at the beginning of each year. The club is frequently asked to perform at teas, club programs, and other civic functions. The mothers of the club members are honored at an annual Mothers' Day Tea. The club forms the nucleus of all large combined choral groups.

RADIO BROADCASTSMr. Stromberg

Students from each department present a program during the year in which they attempt to show the kind of work carried on in each department of the school. Many students receive valuable experience from participation in these programs, which are released over the local broadcasting station, KHUB.

THE WATSONVILLE HIGH SCHOOL STUDENT BODY

Membership in the Associated Students of Watsonville Union High School, while not obligatory, is highly desirable for any student who wishes to take an active part in school affairs.

A student body card, which costs fifty cents, gives the student the following privileges:

1. Admission to all home games and meets at reduced price.
2. Admittance to student body assemblies.
3. The right to vote in student body elections.
4. The right to hold student body office.
5. Team eligibility.
6. Participation in activities financed in whole or in part by the student body.

Every student should familiarize himself with the provisions of the constitution which is printed in this book. A careful reading will do much

to dispel the idea that the school is "run" by the faculty or a small group of favored students. Some of the most important provisions are these:

1. The Student Board.....Constitution, Article IV, Section 1-3
2. Eligibility of NomineesBy-Laws, Article VI, Section 1-3
3. Election of Officers.....Constitution, Article VI, Section 1-6
4. Duties of Officers.....Constitution, Article III, Section 2-11
5. Finances.....Constitution, Article V

School Credit for Student Body Officers

If, at the completion of the term of office of student officers, the Principal deems the duties of the office to have been worthily fulfilled, he may grant school credit upon the following basis:

President	10 semester hours
Vice President	5 semester hours
Secretary	5 semester hours
Treasurer	5 semester hours
Editor of the Manzanita	5 semester hours
Manager of the Manzanita	5 semester hours
Athletic Manager	5 semester hours
Yell Leader	5 semester hours
Traffic Board Manager	5 semester hours

Special Scholarship Rules for Student Officers Candidates for Student Offices

Candidates for elective offices in the Associated Student Body must meet the following requirements:

1. They must be full-time students in the high school, and must have entered school not more than two weeks after the opening of the school semester in which the election is held, and then have been absent not more than five consecutive days at any time during that term, except in cases of illness.
2. At the close of the school month next preceeding nominations the record for the year of each candidate must have shown an average of 70% or more in each subject carried.
3. The student must have taken not less than four subjects, and these must have been taken continuously since entering at the beginning of the year.
4. During the school year in which the election is held, the candidate must not have failed in any subject or dropped any because of low scholarship, excepting that where six subjects have been carried at the same time, one subject may have been so dropped.

Penalty for Poor Scholarship on the Part of Student Body Officers

It shall be the duty of the Principal in all cases where low scholarship results from the holding of student office to require the resignation of the officer so affected, and when such a request is made by the Principal, his decision in the matter shall be final, and from it no appeal shall be taken.

CONSTITUTION

We, the students of the Watsonville Union High School, in order to stimulate enthusiasm for the standards, the ideals, and the efficiency of the school, in order that its students may develop leadership, gain knowledge of parliamentary law, and skill in the application thereof, and cooperate to the fullest extent with the faculty in the conduct of all student affairs, do hereby adopt the following constitution and by-laws for our government, and agree to abide by the same.

ARTICLE I.

Name

The name of the organization shall be the Associated Students of the Watsonville Union High School.

ARTICLE II.

Members

Section 1. The members of this organization shall be divided into two classes, active and honorary.

Sec. 2. Active members of this organization shall be those students of the Watsonville U. H. S. who have purchased student-body cards.

Sec. 3. Honorary members shall consist of the faculty of the W. U. H. S. and the board of Trustees.

Honorary members who purchase student-body cards are entitled to attend all athletic contests and student social activities at student prices.

ARTICLE III.

Officers

Section 1. (a) The officers shall be: President, vice-president, secretary, treasurer, boys' athletic manager, girls' athletic manager, editor of the Manzanita, business manager of the Manzanita, yell leaders, traffic chairman.

There are to be three yell leaders, one head yell leader and two assistants.

(b). The faculty officers shall be an adviser and an auditor, both appointed by the principal.

Sec. 2. The president shall preside at all meetings, appoint all committees except those whose appointment is otherwise provided for, be chairman of the Student-Board, and exercise all other powers usually exercised by such officer.

Sec. 3. The vice-president shall assume all duties of the president in the latter's absence.

Sec. 4. The secretary shall keep all records of the Association and be secretary of the Student-Board. He shall attend to the necessary correspondence of the Association and perform such other duties as shall devolve on that officer. He shall keep a file of all student body officers and activities on forms approved by the principal, and at the end of the school year shall file the same with the principal.

Sec. 5. The treasurer shall have charge of all funds of the Association and pay all bills approved by the Student-Board. He shall make a report to the Student-Board when requested to do so by that body, and to the Associated Students at the end of each school month, and at such other times as demanded by a majority vote at any regular meeting of the Association.

Sec. 6. The boys' athletic manager shall act as business manager for all boys' athletic affairs of the Associated Students, and shall have charge of and be responsible for all property used in said activities.

Sec. 7. The girls' athletic manager shall act as business manager for all girls' athletic affairs of the Associated Students, and shall have charge of and be responsible for all property used in said activities.

Sec. 8. The yell leader shall lead the students in all school yells.

Sec. 9. The editor of the Manzanita shall have general supervision over the publication of the annual and shall appoint a staff to assist him, subject to the approval of the Manzanita Adviser.

Sec. 10. The manager of the Manzanita shall manage all business affairs of the Student Body publication.

Sec. 11. The treasurer, boys' athletic manager, editor of the Manzanita, and the business manager of the Manzanita, shall each appoint an assistant. The appointments must be ratified by the Student-Board.

Sec. 12. (a) The Faculty Auditor shall have the final responsibility of seeing that student body expenses do not exceed the student body income.

(b) The Faculty Adviser shall act in advisory capacity to student body officers in all matters not in conflict with the duties of the Faculty Auditor.

ARTICLE IV.

Student Board

Section 1. The Student Board shall be composed of the faculty adviser and auditor, all student body officers, all class presidents, and one representative from each class.

Sec. 2. The Student Board shall have general supervision over the activities of all sub-organizations and committees of the student body.

Sec. 3. It shall be the duty of the Student Board to fill all vacancies brought about by resignation or other causes.

Sec. 4. The president shall call a meeting of the Student Board at least once during every school month and at such other times as requested by three members of the said board.

Sec. 5 (a) The Student Board shall fix the amount of annual dues, pay all bills and issue requisitions for the purchase of supplies.

(b) In case of emergencies the faculty adviser, with the co-signature of the student treasurer, may pay bills without the recommendations of the Student Board.

Sec. 6. Two thirds of the members of the Student Board shall constitute a quorum for the transaction of business.

ARTICLE V.

Finance

Section 1. Each active member of the Associated Students shall pay the annual dues. All money thus received, together with that received from other sources shall be used to defray the expenses of the Association.

Honorary members of Associated Students may pay the annual dues if they so desire.

Sec. 2. On the first Friday of the last school month, the Student Board shall recommend to the Associated Students a budget for the next school year's expenditures and also the amount of dues for the following year. The recommendations shall be posted on the bulletin boards by the next Monday and shall be voted on, the following meeting. A two-thirds vote shall be required for the adoption.

Sec. 3. The annual dues shall be payable in full during the first school semester and at the beginning of the second semester, the annual dues shall be reduced not less than 50%.

Sec. 4. The names of such members as have not paid the annual dues as provided for shall be turned over to a committee appointed by the treasurer. This committee shall conduct an intensive campaign and endeavor to secure payment of all unpaid annual dues.

Sec. 5. All bills incurred by the management of any student body activity, together with an itemized report containing a record of expenditures and receipts for said activity, shall be given to the treasurer within two weeks after conclusion of said activity, and the treasurer in turn shall present these to the Student Board. All proceeds from student body activities shall be paid to the treasurer upon their receipt by the manager not later than the submission of his report.

Sec. 6. In student body activities made of a series of events such as games, etc., bills and records as required shall be made after each event.

Sec. 7. All checks and contracts made by the Associated Students must be countersigned by the faculty adviser.

Sec. 8. All requisitions for supplies must be signed by the auditor and countersigned by the Treasurer.

Sec. 9. All money obtained by student body activities shall be turned over to the treasurer before any bills are paid. All approved bills must be paid by treasurer's check.

ARTICLE VI. Elections

Section 1. The term of all officers shall be one school year.

Sec. 2. The elections shall be held on the second Friday of the last month of each school year. If necessary, the time of the election may be changed by the president, provided that the notice of said change be posted on the bulletin board not later than two weeks before the election.

Sec. 3. Nominations for such elections shall be made on the Friday previous to the election. Members eligible to hold office in the Associated Student Body may be nominated by any member verbally in an open meeting or by written nomination signed by three students and handed to the secretary before the meeting. The secretary shall read the nomination.

Candidates for all student body offices must make a platform speech after their nominations. The yell leader's demonstration shall be considered his or her platform speech.

All persons desirous of running for the office of yell leader shall inform the Student Board of the fact at least two weeks before the date set for the nominations. The president shall set a date for yell-leader-trials, at which time the candidates and their assistants shall lead the assembly in two yells, one of which must be the W-A. The candidate shall then be regularly nominated on nomination day.

Sec. 4. Officers shall be elected by majority vote; if no candidate secures a majority vote on the first ballot the two candidates having the highest number of votes shall be balloted upon again to determine the winner.

All three yell leaders are to be elected by the associated students. The candidate receiving the highest number of votes becomes the head yell leader, and the two next highest become his first and second assistants.

Sec. 5. The Australian ballot system shall be used and necessary election officers appointed by the president. The polls shall be open from 8:00 a.m. to 1:00 p.m.

Sec. 6. The Student Board shall choose a nominating committee to check the eligibility of nominees.

ARTICLE VII.

Meetings

Section 1. When one period a week is set aside by the school board for general purposes, the students may hold class meetings, rally assemblies or general assemblies.

The class teachers shall be present at the class meetings.

The date of any meeting is subject to change by the principal or the President of the Student Body.

Sec. 2. Special meetings may be called at any time during the school year.

ARTICLE VIII.

Amendments

This constitution may be amended at any regular meeting of the Associated Students by a two-thirds vote, provided the proposed amendment has been read in a previous meeting, and published on the bulletin board for at least one week before the vote takes place.

ARTICLE IX.

Publications

Section 1. The Associated Students shall publish an annual to be known as the "Manzanita."

Sec. 2. The management of the annual shall be vested in the publication committee, which shall consist of Editor in Chief, Business Manager and Manzanita Adviser.

Sec. 3. The Associated Students shall publish a handbook annually.

Sec. 4. Publication of handbook shall be vested in a committee of four students and a faculty member appointed by the President at a student body meeting in April.

ARTICLE X.

Recall

Section 1. Every elective officer of the Associated Students may be removed by recall.

The procedure shall be as follows: A petition signed by 25 per cent of the members of the Associated Students demanding the election of a successor to the officer named in the petition shall be addressed to the secretary of the Associated Students. A copy of this petition shall be sent, by the secretary, to the officer to be removed. Such petition shall contain a statement of the grounds upon which removal is sought.

It shall be the duty of the secretary to submit the petition to the president, and at the next regular meeting the petition shall be read, and immediately after this reading the officer shall be given an opportunity to make an answer to the charges made in the petition.

Immediately following the answer of the officer in question, nominations for his successor shall be received.

Nominations and elections shall be carried out as provided in Article VI, Sec. 3, and the recall election shall be by ballot in the regular form.

There shall be a vote by ballot for the question, "Shall (name of person against whom petition is filed) be recalled from the office of (title of office)?"

The vote shall be "yes" or "no."

Sec. 2. There shall be a vote by ballot for the person recalled, in case the latter be removed by the recall election.

No recall petition shall be circulated or filed against any officer until he has held office for three months.

If it is sought to remove the president under provisions of this article, the duties herein imposed upon said officer shall be performed by the vice-president. If it is sought to remove the secretary, the duties imposed upon said officer shall be performed by the treasurer.
