Dear M<sup>s</sup> Reaves

I am writing to inquire about the books you have written especially the "Arroyo Seco Camping days"

Robert V "Bob" Larson told me about them. I've known Bob since the beginning of his First Grade. I've done ~~that~~ <sup>much</sup> camping at the time of your book and since I own a cabin in Arroyo Seco I guess I will have to sell as I am getting past the age (78) of caring for it.

Will you let me know if I can have three of the books at present and possibly three more if I can afford it? Also one of "Look Out Los Padres Forest" I would tell you how to sign them for me and send you a check for \$36.00

Right? Yours truly, Shirley Sharon

Thank You - Please let me know if they are available

I thank Bob for me for sending the book about Big Sur. I'm inclosing payment for it. I surely do I hope you are healing well.

I stepped on a needle and the doctor was unable to remove it. It broke off in my foot. I've had to wear a special shoe & keep my foot up - I don't know what happens next ???

Have Happy Holidays!

Dear Mr. & Mrs. Aldridge:

I have just finished reading the book about camping in the Arroyo Seco by your mother Irma Reaves, which you sent recently to Gladys Lovelady. I enjoyed it immensely, and would like to get a copy of it. My son Dick and I are mentioned in the book. We camped at Graven and I remember your mother. My son Dick played with Skip. We knew Miller Rosendale who bought the camp from Mr. Graven. I haven't been down there for many years and understand the camp is run quite differently since Miller sold it. Please send me your mother's address or where I may purchase a copy of her book  
(over)
