

PAL OF MY HEART

True to me, kind to me,
never deceiving;
Cheering me, helping me,
ever believing;
Glad for me, glad for me,
never apart;
Dear to me, near to me,
Pal of my Heart.
Clean-hearted, strong-hearted,
all the way thru,
Uplifting and tender,
wonderful you!
Fair to me, square to me,
life's dearest part,
Best to me, best to me,
Pal of my Heart.

Ever your loving son

To The
Dearest Mother

If I had made Mothers
And from all the rest
Had picked for my own
The dearest and best,
I couldn't have chosen
From a world through
A Mother so splendid
And lowly as YOU.
