Hi kids,

Most of you know your birth date, but probably none of you know when on that date. For the fine tuning, see below:

Creston Gery 11:02 AM (after keeping us up all night)  
Jane Lorene 3:45 AM (after two false alarms)  
James Theodore 3:12 AM (he always did like to stay up late)  
Daniel Joseph 1:00 AM (Dad beat the doctor to the hospital, from the Soquel Forestry station)  
Kathleen Rose 7:51 PM (she always did like to sleep late)  
Teri Jean 2:26 PM (the priest bawled us out for this diminutive of Therese)  
Mary Susan 11:42 PM (we got to bed at a reasonable hour)  
Diane Marie 11:32 AM (she always was a morning person -- late morning)  
Nancy Joy 2:33 AM (back to the red-eye births)  
Mark Steven 2:15 PM (another boy at last)

Love, Mom & Dad
